(Prospective Employee Persuasion)

### Company Snapshot

Stein Eriksen Sport is one of the oldest and most established ski shop chains in Park City opening our doors in the late 1970's. Starting at Park City Mountain Resort, SES has since moved to Deer Valley Resort and Aspen/Snowmass Resort, CO. Currently, SES operates three locations in Deer Valley year-around with shops at the Stein Eriksen Lodge, Chateaux Lodge and Stag lodge.

All of our lodge affiliations are premiere destinations for both national and international clientele. Parallel with the level of service these lodges provide their guests, SES strives to meet or exceed the quality and attention to detail that 5-star customers come to expect.

**We are currently hiring for the following positions:**

#### **Rental Technician**

Responsibilities include setup and maintenance of rental and demo equipment. Prior work experience recommended but not required.

#### **Sales Associate**

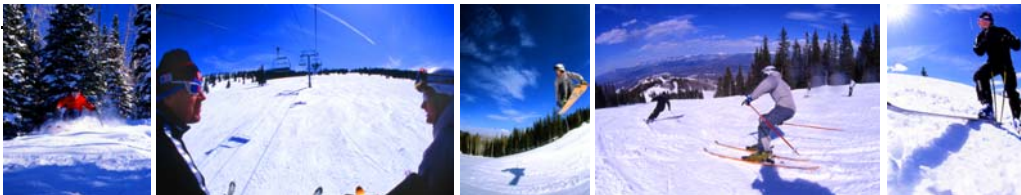

Responsibilities include assistance in sales of ski equipment, ski clothing and accessories and maintenance and upkeep of retail area. Prior sales experience a plus.
